

Pia Orleane, PhD & Cullen Baird Smith

Interstellar Communicators

In the Laarkmaa Trilogy, Pia and Cullen share the wisdom of Laarkmaa, interstellar beings from the Pleiades. Through messages about human evolution, they guide us toward who we are intended to be—divine beings of love and light.

Who is Laarkmaa?

Laarkmaa is a loving group of Pleiadians who are dedicated to the evolution of humanity. Referring to themselves as “one of six and six of one, they have chosen Pia Orleane and Cullen Smith to be their ambassadors on Earth. Through their love, wisdom, and higher perspective, Laarkmaa offers messages of peace, hope, and harmony, guiding us all towards a higher and greater understanding of love, light, and unity.

Revealing the unimaginable possibilities available to us, they provide tools to heal ourselves and our world. Will we make the right choices for our own evolution?

Pia Orleane & Cullen Smith: Love in Action

Pia Orleane, PhD and Cullen Baird Smith have accessed parallel dimensions since childhood. Pia and Cullen are interstellar communicators—bringing forth the voice of Laarkmaa requires their combined energies. Stepping away from their traditional careers of clinical psychologist and forensic anthropologist, they have dedicated their lives to bringing the wisdom of Laarkmaa to the world. In interviews, Pia and Cullen share profound insights about the shifts in consciousness humanity is undergoing, leading the

listeners through easy-to-understand steps toward our evolution into a New Reality.

Working with Laarkmaa has accelerated Pia and Cullen’s abilities to communicate with other dimensional beings. Now, a myriad of other voices are presenting themselves in an urgent attempt to reach humanity and assist in elevating humanity’s consciousness.

- Laarkmaa first contacted Pia and Cullen through a short wave radio on Cullen’s birthday (at the exact minute of his birth).
